Also, learn about HFHI's new policies, the Quality Assurance checklist and changes to the HFHI structure – and how it affects you. This will also be a time to meet and talk with other Habitat staff, board members and volunteers to find out what is going on in their communities and what is working, what is HOT...and what is NOT!

Registrants: Affiliate staff, board members, volunteers and guests

Meeting Times: Each conference day will begin with an opportunity to network with other Habitat members over a complimentary Continental breakfast. Lunches, as well as the Friday night awards dinner, will be 'on the house.' All scheduled workshops will occur on Friday and Saturday during the day.
